

The University of Madeira has established a collaboration protocol with the Daily Economic in order to provide the universe of its students and teachers free access to the Digital Economic until June 30, 2011

The Digital Economic is an innovative technology platform that brings together all the economic information which gives it an indispensable value as a work tool, and when you like.

With unique features, providing access to:

- Archive of 20 years of economy;
- Search;
- Downloads;

To read, at closing time of publishing, all information from the Daily Economic, from Monday to Saturday.

To initiate the free access to the Digital Economic, you need to be registered and performs login.

The Daily Economic can be found at: <http://economico.sapo.pt/uma>
